

SAINT WAVELENGTH

DJ SAINT — Mix Services

Custom performance mixes for teams, competitions, and live sets

Sound. Performance. Execution.

OVERVIEW

What DJ SAINT Does

Built for the stage

Custom mixes engineered around choreography, timing, transitions, musical energy, and live execution.

Made for performers

Designed for dance teams, showcases, auditions, competitions, and live performance environments.

Scoped to you

Every project is shaped by your music, creative direction, timeline, and performance needs.

SERVICES

Custom Performance Mixes

Services may include:

- Custom song arrangement

- Song cuts & transitions

- Timing structure

- Choreography-based edits

- Performance-ready final audio

- Multi-segment mix structure

- Showcase / competition formatting

- Reasonable revisions in scope

PACKAGES

Pricing Guide

Single Segment

Starts at \$200

One custom performance mix segment built around your music, timing, and choreography.

BEST FOR TEAMS

Multi-Segment

Preferred Package Pricing

Custom pricing available for teams booking two or more segments.

Premium / Rush

Custom Quote

For tight timelines, complex edits, advanced transitions, or expanded creative scope.

Final pricing is confirmed before work begins and is based on project scope, timeline, complexity, and deliverables.

GETTING STARTED

What Clients Provide

- ✓ Team or organization name
- ✓ Event, audition, or competition details
- ✓ Deadline
- ✓ Number of segments requested
- ✓ Song list or music references
- ✓ Timing notes
- ✓ Choreography notes (if available)
- ✓ Specific creative direction or moments
- ✓ Competition / event requirements

Clear materials help ensure the final mix is accurate, performance-ready, and aligned with your team's goals.

HOW IT WORKS

Booking Process

THE FINE PRINT

Booking Terms

Upfront payment

All projects require upfront payment to confirm booking. Payment via Venmo @YashBhatt__.

Work begins

Once scope, timeline, fee, and client materials are confirmed.

Revisions included

Reasonable revisions while the project is active and within original scope & direction.

May require a fee

Major song changes, full rebuilds, new concepts, added segments, rush timelines, or major post-approval changes.

Formal agreement

A formal agreement is provided before every confirmed project.

MUSIC RIGHTS

Music Rights & Responsibility

No ownership of source music

DJ SAINT does not own the rights to copyrighted music selected, requested, or provided by the client.

Client is responsible

Clients follow all competition, venue, platform, copyright, and event rules related to music use.

What the service is

The service is custom mix editing and arrangement based on client-provided or client-requested music direction.

LET'S WORK

Book a Mix

When you inquire, send:

- Team name
- Event or purpose
- Deadline
- Number of segments
